Heath Crescent Crossing Petition

To: Coventry City Council

We the undersigned call upon you to provide a pedestrian crossing on Heath Crescent by Stoke Heath School in order to make the crossing of this road safer. The road has narrow visibility due to fencing, has a Primary School, a Children's Centre and an Old People's Care Home on it, has busy traffic from the A444 and has been in need of a crossing for many years. Now that Stoke Heath Primary School is expanding the need is even greater, as it will have multiple entrances. Please take action to make this road safe to cross.
